Other information

Mon 27th October 2025 17:00-hrs
DEADLINE FOR SUBMISSION of Nominations for the 2025 Award

Mon 3rd November 2025
Presentation of the Project by the Applicants to the Selection Committee

The 15-minute presentation will preferably be done in-person at the Energy & Water Agency, Pinto Business Centre, Qormi. Alternatively, presentations may be held on-line. The Selection Committee may ask questions or make comments at the end of all presentations; however, voting will take place at a separate sitting.

5th to 14th November 2025
Filming of each applicant presenting the project

The 1min30sec video clips will be viewed at the Awards Event, and will be uploaded to the website & socials of the Energy & Water Agency to give recognition to the respective enterprise and the presented project.

Thursday 27th November 2025 at 07:00pm
Awards Event at the Casino Maltese, Valletta

The Winner, together with the 1st and 2nd Runners Up will be announced during the 'Malta Engineering Excellence Awards 2025' Event under the distinguished patronage of Her Excellency Myriam Spiteri Debono, President of Malta.

February/March 2026
Tree Planting Event

The Energy & Water Agency is committed to plant 30 trees on behalf of the Winner and the 1st and 2nd Runners-Up. A plaque commemorating the event and the name of the winning enterprises will also be installed. Apart from the intrinsic value of trees, the event further allows the applicants to network and highlight their sustainability efforts. The event, which is also attended by the Ministry enables applicants to share challenges, achievements and ideas in an informal small group.
